ESG Rating Update

Lisbon, December 16th, 2024

On December 13th, 2024, Sustainalytics reaffirmed Fidelidade – Companhia de Seguros, S.A.'s *Low Risk* ESG rating with a score of 14.0, awarding the company the prestigious *Industry Top Rated* badge and highlighting its leadership in sustainability.

This result places Fidelidade as the 12th best rated insurance company in the world (out of 299 ranked by Sustainalytics), 1st among P&C insurers (out of 86), and 7th among European insurers.

The new rating signals Fidelidade's commitment to its ESG strategy, centered around three pillars: achieving a relevant role and positively impacting the society, having a proactive role in the ecological transition, and being a responsible and exemplary economic agent.
